The Stuart Piano

Stuart & Sons is a specialist manufacturer of Australian-made handcrafted grand pianos. There are three models available: a Studio Grand (2.2m), and a full Concert Grand Piano (2.9m) with 97 keys, 102 keys (as seen on stage today), or the latest edition with 108 keys. Each piano is hand-made by dedicated craftsmen using the finest timbers and materials available to last a lifetime and beyond. These rare and precious instruments underpin a deep satisfaction in owning something of outstanding quality and beauty and represent a profound investment in Australian musical culture. They can be heard in *An Australian Icon*, *The Lost Jewels* and *The Diggers' Requiem*
